

# II *Holmes*

COMMUNITY COLLEGE  
NATURAL SCIENCES DEPARTMENT

The Department of Natural Sciences, staffed with a highly qualified and experienced faculty, endeavors to meet the educational needs of students and the community in the natural sciences. The department's goal is to prepare students in natural science-related majors for university transfer or entry into professional schools; furthermore, the department provides non-majors with a solid background in natural science. Quality courses provide opportunities for students as majors and non-majors to develop skills in critical thinking and an appreciation of the natural sciences. The dedicated staff strives to assure student success through the use of personal advisement, effective instruction, mock interviews, educational tours, and meaningful laboratory experiences.

## Courses taught in Biology, Chemistry, Physics and Engineering.

- All courses taught in the Natural Sciences Department are designed to articulate and transfer to the University level for the student to obtain higher degrees.
- The Natural Sciences Department offers enrichment opportunities such as the Pre-Professional Seminars, Interview Skills Workshops, University Campus and UMMC Tours.
- Holmes Natural Sciences Department offers a broad scope of majors ranging from Agriculture, Bio- Sciences, Engineering, Health Related Professions, Pre-Med, to Pharmacy. Students may take their core courses, and make a seamless transition to a university to complete their degree.
