Introduction to AutoCAD

Offered at the McGowan Workforce Training Center, August 7th, 14th, 21st, 28th

Holmes Community College Workforce Development is proud to be offering a 12-hour Introduction to AutoCAD class. This introductory course will cover the fundamentals of AutoCAD and topics such as how to set up AutoCAD and introduce you to the basic commands. Learning AutoCAD is easy in this hands-on class. There are pull-down menus, pop-up menus, fly-out menus, prompt, and icons to help you along. The commands they invoke are also easy to learn and in this course you will get familiarized with the layout and basic operation of AutoCAD.

When: Friday mornings
Where: McGowan Workforce Training Center
Time: 8:30 to 11:30 a.m.
Dates: August 7th, 14th, 21st, 28th
Duration: 12 Hours Total
Cost: $50

Pre-registration is required and space is limited so hurry to register. Simply email acrain@holmescc.edu or call Angela Crain at 601.605.3370 to sign up for this class (first come first serve).
