Introduction to Sheet Metal Trades

Cost: FREE

Date: October 1, 2018

Time: 7:30 a.m. - 5:00 p.m.- 440 hours

Instructor: Carl Bibbs

The Introduction to Sheet Metal Trades is a 13-15 weeks course that prepares apprentices to learn how to fabricate, assemble, install, and repair sheet metal products and HVAC equipment.

Ingalls Shipfitter Program

Cost: Free

Date: August 6, 2018 – November 8, 2018

Time: Monday – Thursday, 8:00 a.m.- 4:00 p.m.

Instructors: Tim Townsend
Michael Thompson

Ingalls is the largest industrial/manufacturing employer in Mississippi. This partnership between Ingalls Shipbuilding and Holmes offers training sessions to assist with their ongoing needs for new hires who are skilled in structural fitting, pipe fitting and welding. The course is 14 weeks. The Pascagoula-based enterprise aims to provide students with employment offers, contingent on successful completion of the course, as well as recommendations from Holmes staff based on class performance. Employment with Ingalls will include a number of perks and benefits, including a 401K, and opportunities for advancement within the company.

IV Certification

Cost: \$300.00

Date: September 4, 2018 - October 4, 2018

Time: Tuesdays and Thursdays, 6:00 p.m. – 10:00 p.m.

40 classroom hours /40 clinical hours required

Instructor: Christi Blair, RN

This course provides continuing education for IV therapy including legal aspects, review of anatomy and physiology, fluid and electrolyte balance, equipment and procedures in IV therapy, complications, prevention, nursing interventions, and medications.
