Pre-Dental Hygiene

This curriculum is designed to meet the admission requirements of the School of Health Related Professions at the University of Mississippi Medical Center. All programs at the Medical Center are upper division. Students must complete all admission requirements before transferring. Students should consult the most recent Medical Center catalog when planning their schedule. All programs at the Medical Center have a limited class size with competitive admissions. Students should start the application process early in their sophomore year. The curriculum below leads to an Associate of Arts Degree.

An AAS Degree may be earned at this point.

The **Massage Therapy Program** prepares the individual to provide massage therapy principles, ethics, and business application. The program would aim to prepare students to successfully complete the program, earn employment in their field of study, and attain applicable technical assessments. Upon successful completion of the program, graduates will be eligible to sit for the Massage and Bodywork Licensing Examination (MBLEx), administered by the Federation of State Massage Therapy Boards (FSMTB), accepted by the Mississippi State Board of Massage Therapy (MSBMT). Students must pass the MBLEx in order to be a Licensed Massage Therapist within the state of Mississippi, as well as successful completion of the Mississippi State Law Examination (MSLE), administered by the MSBMT.

Assistance with math and/or reading will be available on a co-curricular basis to certificate-seeking students who lack entry-level skills in math and/or reading.

Enrollment in a minimum of 15 hours each semester is recommended for eligibility for state aid, institutional scholarships, and the tuition break.

Add New Program of Study

After Page 166 **Add *Pre-Physician Assistant Studies*. Also add to *Health Related Pathway* Listings on pages 121 and 157.**

Health Sciences Pathway
Health-Related Pathway
Pre-Physician Assistant Studies

This curriculum is designed to meet the admission requirements of the Department of Physician Assistant Studies at Mississippi College and the Master of Physician Assistant Studies Program at Mississippi State University-Meridian. Students must have a minimum 3.0 cumulative GPA as well as a 3.0 science GPA on a 4.0 scale for both programs. In addition, a minimum grade of C is required on each pre-requisite course accepted for transfer, and each pre-requisite course must be taken within 10 years of matriculation at the University or College. Mississippi College will not accept online or hybrid courses for pre-requisite courses (except for statistics). The curriculum below leads to an Associate of Arts Degree.

Students applying for either program must have a bachelor's degree, take the GRE, and have evidence of clinical experience. At least 80 hours of healthcare experience and 20 hours of shadowing experience with a medical doctor or physician assistant are required for the Master of Physician Assistant studies Program at Mississippi State University-Meridian. For this program, students must also complete CPR Certification (American Heart Association) or higher.

Consult with your chosen transfer university/college to determine changes to this curriculum.

Both programs at Mississippi College and Mississippi State University-Meridian have a limited class size with competitive admissions.

*Enrollment in a minimum of 15 hours each semester is recommended for eligibility for state aid, institutional scholarships, and the tuition break.

Add New Course Descriptions

Page 280 Add under *History* Section and under *Humanities* Core Listing on page 38

HIS 1613 – African-American History.

This is a survey of African-American History from African origins to modern times. Three hours lecture. Three hours credit.

Page 281 Add under *Learning & Lifeskills* Section (Not Effective until Fall 2021)

LLS 115(1-2) – College Life.

This course is designed to assist the first-time student in achieving academic, career, and personal success. One to two hours lecture. One to two hours credit.

Page 353 Add under *Massage Therapy* Section

MGT 2514 – Massage Therapy Anatomy and Physiology I.

A combined lecture and laboratory course that covers the anatomical and physiological study of the human body as an integrated whole. The course includes detailed studies of: biological principles; tissues; and the integumentary, skeletal, muscular and nervous systems. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture. Two hours laboratory. Four hours credit.

MGT 2524 – Massage Therapy Anatomy and Physiology II.

A combined lecture and laboratory course that includes detailed studies of the anatomy and physiology of human special senses, endocrine, cardiovascular, lymphatic and immune, respiratory, digestive, and urinary systems, as well as reproduction and development. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture. Two hours laboratory. Four hours credit.

I certify the above amendment is true and correct in content and in policy.

Dr. Jenny Jones
Vice President for Academic Programs
