Subject: Important Notice Regarding Financial Aid

Dear Students:

Under federal law, the College is required to notify you of the financial aid penalties associated with violations of state or federal drug law.

Specifically, if you are convicted under federal or state law, of possession or sale of illegal drugs during a period of enrollment for which you were receiving federal student aid (grants, loans, and/or work study), you could lost eligibility for federal aid. If you lost eligibility for financial aid under these circumstances, there is a process for seeking to regain eligibility. The process is as follows:

- Complete the Student Aid Eligibility Worksheet (available from www.fafsa.ed.gov or by contacting the Department of Education at 1-800-433-3243.) If you answer “2” or “3” on the worksheet, you are submit to the following:
 - Complete an acceptable rehabilitation program that includes at least two unannounced drug tests. The drug rehabilitation program must be:
 - Qualified to receive funds from a federal, state or local government or from a federally or state-licensed insurance company, or
 - Administered or recognized by a federal, state, or local government agency or court, or a federally or state-licensed hospital, health clinic or medical doctor.
