

Traveling & want to practice saying words in Español?

The Instructor is Lina Lopez

I was born in Colombia, South America, and raised in the U.S. and have lived in many states including Florida, Texas, Nevada, Kansas, and Mississippi. Living in all of these states has given me the wonderful opportunity to speak both English and Spanish constantly which I love.

Education -

Bachelors of Health Science degree from The University of Mississippi Medical Center.

The purpose of this class is to allow participants to learn and constantly engage in verbal basic Spanish vocabulary. The terms chosen for this class will be travel related and the vocabulary will be introduced phonetically in a small, friendly, classroom atmosphere.

(This is not a Spanish grammar class.)

Examples of vocabulary include: Common greetings, basic numbers, modes of transportation, directional terms, days of the week, and basic food items.

Participants will build their own dictionaries for later use.
(Additional terms will be added as time permits.)
