Cost of tuition varies by the number of hours in which a student enrolls. No matter how many classes you take, Holmes is nearly one-quarter the cost of a major 4-year university.

Holmes offers a Net Price Calculator located under financial aid at holmescc.edu, that can estimate the cost of attending Holmes. Get a customized total of your tuition, fees, books, supplies, and room and board. Also see an estimate of grants and scholarships you may receive.

**SPORTS OFFERED AT HOLMES**

Holmes has produced Championship winning teams. Our athletes have gone on to play Division One college sports and even professionally. Join the Bulldog legacy.

**GET FIT AT HOLMES**

On all our campuses, Holmes has committed to giving our students choices when it comes to staying physically active. Over the past 5 years, we have added basketball courts, fitness centers, walking trails and a ropes course. Recently, we renovated our volleyball court and disc golf course. Get out there and enjoy the lush, varied terrain of Central Mississippi.

**KEEPING HOLMES SAFE**

Holmes Community College is dedicated to the safety of its faculty, staff, students, and visitors. Police officers are located on Goodman, Grenada and Ridgeland campuses. Under state law, the Holmes Community College Campus Police are authorized to enforce the general laws of the State of Mississippi with the powers of a state constable.

TRAINING

GET TO WORK ON YOUR SELF-IMPROVEMENT.

WHAT IS WORKFORCE DEVELOPMENT?
Holmes’ Workforce Training Programs serve the business community and are designed to meet specific training requirements of a company or organization. We provide additional training and enhanced skills to people in their current jobs or individuals entering employment. These NON-CREDIT BASED programs can last just a half-day or several weeks.

MI-BEST (MISSISSIPPI INTEGRATED BASIC EDUCATION AND SKILLS TRAINING)
MI-BEST is an accelerated (8-16 week) skills training and workplace preparation course. It includes short-term workforce development training that is aligned with employment opportunities. Participants can complete training in pipefitting, welding, and material handling/forklift certification. MI-BEST funds assist with tuition, books, fees, or other program-related expenses.

ELECTRICAL LINEMAN PROGRAM
Upon completion of 8 weeks of hands-on training, graduates are qualified to make connections of meter loops, transformers, and other equipment on de-energized poles; operate bucket trucks; digger derrick trucks, forklifts, etc.; check voltage and amperes; and recognize electrical hazards.

NATIONAL CAREER READINESS CERTIFICATE (NCRC)
If you are launching a new career or making a transition in your current job, the ACT® WorkKeys® assessment can help. This measures workplace skills that can increase opportunities for career changes and advancement. Earn this certificate by successfully completing three assessments: Applied Math, Workplace Documents, and Graphic Literacy.

HIGH SCHOOL EQUIVALENCE
Improve your quality of life as well as your earning power - get your High School Equivalency (HSE) Diploma through Holmes! We offer HSE Classes at locations throughout our district - fees of charge. Join classes in Ridgeland, Hazen, Canton, Eupora, and Kosciusko. Night classes are only offered at our Ridgeland Campus.

CONCRETE MIXER/TRUCK DRIVER TRAINING PROGRAM
If you are interested in working as a concrete mixer truck driver, you will need to obtain a commercial driver’s license, which requires truck driver training. Holmes Workforce can provide you with the training you need and help you network with potential employers. New classes begin every six to eight weeks.

INVESTED IN YOUR FUTURE

Federal funds from the CARES Act provided Holmes an opportunity to invest in our local economy. With this funding, we have purchased new equipment, created new programs, and expanded and enhanced our current offerings. These improvements include new welding equipment and shop renovations, trucks and tools for the Electrical Lineman Program, simulators for the Healthcare Programs, equipment for our Material Handling programs, and training equipment for our Industrial Maintenance programs. This training will benefit those who suffered unemployment during the Covid-19 pandemic and allow them to enter new careers in essential industries.

Shuttin Lift
Don’t Pay “For-Profit” Costs of Other Online Schools!

Holmes award-winning eLearning program provides courses that can fit into any schedule. Unlike some schools, an online education at Holmes is affordable coming in at just a fraction of the cost of national for-profit schools. Our instructors are accessible, and our class sizes are limited.

What’s 100% Online?
All of our Academic Pathways are 100% online! That’s over 60 programs of study from which to choose. Holmes also has three career-technical programs 100% online: Business and Office Technology, Paralegal Studies, and Criminal Justice.

What Can I Earn Online?
There are options for almost every program! In most cases, you can earn an Associate of Arts or Associate of Applied Science degree. There are also paths for certificates.

Considering an Online Course?
You can complete your coursework anywhere, anytime online—just by keeping up with your weekly deadlines! Two proctored exams are required, but these can be completed at an on-campus lab or through virtual proctoring services.

Perks of Online Learning
An online degree is affordable, cost-effective, and perfect for working individuals. Work while completing your education and save time and gas.

Smarter Proctoring
Holmes and MSUTC provide proctoring services on campus and virtually. These appointments are scheduled through Smarter Proctoring.

High school students who are interested in program participation should contact the District Coordinator for Dual Enrollment/Dual Credit at your school.

SUCCESS Can Happen Anywhere!
Addison Stevens, a homeschooled student from Madison, MS, earned her Associate of Arts degree as a dual-enrollment student while simultaneously graduating from high school. This Pre-medical major was also a valedictorian! There’s no stopping a determined Bulldog.

Dual Enrollment / Dual Credit
A dual enrollment student is enrolled in an institution of higher education while still enrolled in high school. A dual credit student is enrolled in an institution of higher education while enrolled in high school and receives both high school credit and college credit for postsecondary coursework.

Requirements for Academic Classes*
1. Earn at least a 4.0 high school GPA** and/or have high school junior status or score a minimum composite ACT score of 30 or equivalent SAT score.
2. Have an overall ‘B’ average (GPA of 3.0 out of 4.0) on all high school courses.
3. Request a letter (form) of recommendation from your high school counselor or principal.
4. Have your school send the letter of recommendation and official transcript to the Admissions and Records Office at Holmes CC.

Documentation must be received at least 10 days prior to the beginning of the enrollment period.

Requirements for Career-Technical Classes*
1. Have a high school sophomore status or higher.
2. Have an overall high school GPA of 2.0 on a 4.0 scale.
3. Request a letter (form) of recommendation from your school administrator, counselor, or CTE instructor.
4. Have your school send the letter of recommendation and official transcript to the Admissions and Records Office at Holmes CC.

Documentation must be received at least 10 days prior to the beginning of the enrollment period.

High school students who are interested in program participation should contact the District Coordinator for Dual Enrollment/Dual Credit.

Homeschool transcripts must be notarized if grades are conferred by a parent. In cases where a third-party homeschool association or organization validates and confers an official transcript, the official transcript is not required to be notarized. **Core units include subjects such as English, mathematics, science, social science, or foreign language.

A Higher Standard
After more than 90 years, our success in educating Mississippi’s students speaks for itself. Our programs are accredited by the Southern Association of Colleges and Schools Commission on Colleges, and we have an articulation agreement with the eight public, four-year institutions of higher learning in the state.
